GOVERNOR WILL SPEAK TONIGHT

CHIEF EXECUTIVE OF STATE TO ADDRESS BIG MEETING AT HIGH SCHOOL

OTHERS WILL TALK

MAJOR WALTER LINEBERGER AND ASSEMBLYMAN WHITE ARE UPON PROGRAM

There will be a large crowd at the Glendale high school auditorium tonight to greet William D. Stephens, governor of California, who is coming here to make an address.

Major Walter F. Lineberger of Long Beach, candidate for congress in the ninth district, which includes this city, is also on the program for a talk.

John Robert White, of Glendale, assemblyman from the sixty-first district, is also down for a brief address.

Another scheduled speaker is Al Bartlett of Los Angeles, chairman of the Republican County Central committee.

Big Crowd Is Expected

Governor Stephens is only scheduled to make four or five addresses while he is in southern California and he has selected Glendale for one of them. Therefore the committee in charge of the meeting is confident there will be a big crowd out to hear him and the others on the program.

Details for the meeting are in charge of the Glendale Republican club. The meeting will be called to order by Charles H. Toll.

DYNAMOS CLUB

EVENING SERVICES HELD BY 'LIVE WIRE' ORGANIZATION IS COMPLETE SUCCESS

The services held by the Dynamos club at the Presbyterian church Sunday evening proved to be very successful. All seats were taken.

The program included songs by the male quartette, of which Messrs. Farner, Anderson, Smith and Rhodes are members. A talk on the "Origin and Development of the Dynamos Class" was given by Earl P. Hammond, president. Four months ago this club was organized with twenty-five members. It now numbers sixty and includes many high school and college men.

The quartette is under the direction of Mrs. Fannie Marple Retts, musical director, and Carolyn G. Bailey, organist.

Other Features on Program

The program also included a baritone solo, "Because He Loves Me So," by Joseph Rhodes; prayer, by Fred Hoffsan; Scripture reading, by Harold Majors; duet, "Drifting," by Wm. Farner and Everett Anderson; and message, "Watch the Way,; Fortify Thyself with Power," by Dickson Link.

The club shows an active interest in athletics and has a basketball team that has a habit of taking the long end of the score. The leaders of the Dynamos club are classed as "live wires" and they are, it is pointed out, doing a great wosk on behalf of the church and the cause they represent.

FEAR HOLDUP

AUTO IS WRECKED AND DRIVER SEEKS TO SIGNAL HELP, BUT ONLY ALARMS

Reports of a holdup on Los Feliz hill last night were prevalent in Glendale until it was learned that an auto driven by a Mr. Cole of Los Angeles was overturned there and badly wrecked. After the driver had crawled, unharmed, from beneath the ruin he tried to signal passing autoists for aid and they took him for a hold-up man. He was finally picked up and brought to Glendale, however.

MR. AND MRS. GEORGE LARKIN ARE HOSTS ON SATURDAY TO NUMBER FRIENDS

Mr. and Mrs. George Larkin were host and hostess at a most enjoyable dancing party Saturday night at their home, 1417 South Brand boulevard.

The guests were Captain Richard Blayden of Calgary, who was with the Canadian forces in the world war and whom the Larkins met while filming "Corporal Cameron," recently, near Calgary; Miss Frances Edmonds, a well-known moving picture star, now at the head of her own company; Miss Edmonds' brother, Frank Harrington; also Mr. and Mrs. Osborne Meighan, Miss Doris Packer and Floyd Carmack of Glendale.

Miss Packer gave some delightful readings from "Peg o' My Heart," Miss Edmonds' Italian impersonations and Mr. and Mrs. Larkin some fancy dances from their plays.

CLUB IS POPULAR

HORSESHOE HURLERS HAVE MEMBERSHIP OF 113, WITH GREAT GAMES DAILY

One of the most prosperous organizations in Glendale is the Horseshoe club, which meets for strenuous play every day in the week at the club grounds, Broadway and Orange. The roll now has on it the names of 113 members, Secretary Walt Nicoles says. Many of these are the regular winter visitors, who never fail to line up with the club soon after they arrive.

Some great games of horseshoe pitching and croquet are seen on the grounds every day.

The list of yesterday's permits is as follows:

WEST BROADWAY

ROUNDING OF STREET MEETS APPROVAL; IMPROVEMENTS UNDER DISCUSSION

A very harmonious meeting of the West Glendale Improvement association was held last night at the home of Mr. and Mrs. Geo. W. Peters. Jr., 634 West Broadway, at which 20 or more residents were present, also City Manager Watson. The committee appointed at the last meeting, Messrs. Doner, Ford and Verity, reported, recommending that the rounded approaches at San Fernando Road be put in, also that Mr. Watson's recommendation that all old surveys be disregarded and a new center line be run straight with the paved portion of the street and quit claim deeds to property thirty feet on either side of this line be secured from property holders, be adopted.

The report of the committee was approved and it was continued, with the addition of Mrs. Geo. W. Peters, Jr., as a member, said committee to see all the property holders and get their consent to sign quit claim deeds as recommended and also to see to getting the necessary land dedicated for rounding corners at San Fernando Road to give Broadway the appearance of a 100-foot wide street.

PRICES LOWERING

EGGS AT 34 CENTS WHOLESALE BREAKS RECORD FOR YEARS; MAY GO LOWER STILL

Eggs reached the lowest level in years yesterday when the wholesale price, case count, was given at 34 cents a dozen. It is possible the price will go still lower, as the season of greatest production has hardly been reached yet. Now if 10-cent bread and even 15-cent milk would again come in sight, surely it would seem that the millennium was not far off, say some who are watching the prices fall.

New Trial Is Sought For Mrs. Louise Peete; Sentence Is Postponed

(Special to The Evening News)

LOS ANGELES, Feb. 8—Filing a motion for a new trial in her behalf, attorneys for Mrs. L. Louise Peete today obtained a postponement until February 16 in the final passing of a sentence of life imprisonment, fixed by a jury as the penalty she must pay for the murder of Jacob C. Denton.

Her counsel based the motion for a new trial on what was claimed to be the discovery of new evidence which might change the complexion of the case at another trial. The motion of a stay of execution was granted over the vigorous protests of deputy district attorneys.

BIG ENROLLMENT

TOTAL OF 1013 STUDENTS IN GLENDALE HIGH SCHOOL AT OPENING OF NEW TERM

One evidence of the great growth of California's population, particularly in the Southland, during the past few years, is seen in the high schools. Glendale's school was built for 500 and now has over 1000 pupils. Long Beach built for 900 and now has nearly 2800.

Both are having erected additions to provide temporary relief, but in both cases these will have to be supplemented very soon, it is alleged. And most other cities in southern California, if not all of them, have the same experience.

The enrollment in Glendale high school at the close of last term was 895. The new term, which began last week, showed 1013 students. There came from Cerritos school eight graduates; forty-nine enrolled from Intermediate and sixty-one others, including those from Eagle Rock City and La Crescenta, as well as newcomers, brought the enrollment up to the record figure.

A permit was taken out yesterday for the garage, which is to be for two cars and will cost $1000. It is to have white plastered exterior.

The residence will not be commenced until next month some time. Architect Alfred Priest is now drawing the plans for it.

INCOME RETURNS

DEPUTY COLLECTOR WILL BE IN GLENDALE LAST OF MONTH, ANNOUNCED

George W. Heldt, deputy collector for the United States treasury, internal revenue service, sixth district of California, informs The Evening News he will be in Glendale on February 22, 23, 24, 25 and 26, at the city hall, to receive income tax returns for the year 1920 and to assist in their preparation.

"It will facilitate matters if the taxpayers," said Mr. Heldt, "will have their returns filled out so that they may be checked and acknowledged without unnecessary delay. However, I will be glad to assist any who are troubled and interpret any part of regulations not thoroughly understood. I advise taxpayers to come as early as possible and bring with them forms received by mail.

"Any taxpayer in doubt as to liability for filing a return should consult a deputy, as liability for filing return may exist even though they have no tax to pay."

(Special Service to Glendale Evening News)

NEW YORK, Feb. 8.—John MacDonald plans to leave tomorrow for San Francisco to tell the grand jury that he perjured himself in giving testimony which was largely responsible for convicting Thomas Mooney as the Preparedness day dynamiter.

After voluntarily making a confession in the form of an affidavit to Frank P. Walsh, labor attorney, MacDonald returned to Trenton, New Jersey, to make preparations for the trip.

"There should be little doubt that MacDonald's confession will completely crush the case against Mooney and the latter will soon be a free man," Walsh declared today.

Mrs. W. R. Jones, a sister of Mrs. C. E. Peck of 114 South Louise street, passed away Monday morning at her home, 1355 South El Molino street, Pasadena. Funeral services will be held Wednesday afternoon at 2 o'clock from the Pasadena residence. The remains will be taken to Kent, Ohio, for burial.

Mr. and Mrs. L. A. Hart of 501 North Louise street had as their house guest the past week Mrs. Alta Hohnshelt of Portland, Oregon, the former home of the Harts. Mrs. Hohnshelt has been spending the winter with her mother in San Diego and returns soon to Portland. She was very much impressed with Glendale and regrets leaving.

As is customary the first meeting night every February, last night was celebrated as Past Exalted Ruler's night at the Glendale Elks' lodge, No. 1289. Past Exalted Rulers Peter L. Ferry, S. C. Packer, A. D. Pearce, C. D. Thom and Bert P. Woodard were present and in charge of the meeting. Entertainment and lunch were enjoyed after the regular business session.

Mr. and Mrs. John L. Bolen and son, who recently came to California from Chicago and purchased property in Los Angeles, have now decided that Glendale is the most desirable place in which to live. John L. Bolen is a brother of Ben Bolen of 369 Myrtle street. As soon as they can dispose of their property in Los Angeles Mr. and Mrs. Bolen are going to move to Glendale.

HERO OF MERRIMAC TO GIVE FREE LECTURE HERE ON WEDNESDAY NIGHT

CAPTAIN RICHMOND P. HOBSON
Hero of the Merrimac, noted "dry" speaker and preparedness advocate, who will address a union mass meeting at the First Presbyterian church tomorrow night on "The Crisis"

Captain Richmond P. Hobson, hero of the Merrimac, member of congress from Alabama, introducer of the first prohibition amendment that received a majority vote in the House of Representatives, preparedness advocate and "dry" speaker in every state in the nation, will give a free lecture at the First Presbyterian church Wednesday night, February 9, at 7:30 o'clock. His subject is "The Crisis," and assurance is given that his address is entirely non-political as regards the present campaign in this district.

Captain Hobson is on a three months' tour of California and has already spoken in a number of cities in the state. He possesses to a marked degree graces of oratory and is declared by many to be one of the most finished and polished speakers on the American platform.

The meeting tomorrow night is called as a union mass meeting, according to the announcements, and the whole public is invited to be present, irrespective of political or religious beliefs. It is stated that Captain Hobson will have nothing to say regarding the Congressional campaign now attracting attention in this district, it being said that the topic of his address for tomorrow night is the same he is using everywhere and is a national, even an international theme.

As the capacity of the church is limited, the committte in charge urges that those desiring seats be there early.

This is deemed an appropriate action as Major Lineberger is a distinguished ex-service man who went in as a private, served 19 months, was wounded and gassed and came home a major, every promotion being earned. Every ex-service man in Glendale and vicinity is urged to attend this meeting.

FARMERS IN MEAT BUSINESS

WAITS YEAR TO SEE BABE

LOUISVILLE—Marcus Specktor, formerly of Bukowina, has just seen his daughter, seven, for the first time.

He came to this country shortly before the child's birth. The world war prevented his family from joining him until now.

CHEESE MAKING DEVELOPS

LA VERNE—The San Gabriel valley has a new industry. Nubian goats have been installed on the ranch of Mrs. W. S. True and Neufchatel cheese, said by experts to be equally as good as the Swiss article, is being manufactured on a large scale.

PAY TO TEACHERS

INSTRUCTORS SHOULD RECEIVE $1,800,000,000 THIS YEAR, ASSERTS COMMISSIONER

Public school teachers of the United States should receive at least $1,800,000,000 in salaries this year, P. P. Claxton, commissioner of education said at Washington. Last year teachers drew a total of approximately $700,000,000.

"This is equal to half what is spent annually for cigarets," said Claxton.

Salaries of elementary school teachers now are about 30 per cent higher than four years ago, according to Claxton's reports, showing that the campaign to get them more pay has been partially successful. High school principals now are paid an average of 18 per cent more than before the war, records show.

Wage cutting throughout the country and unemployment are factors which are contributing some benefit to the educational system.

"Many teachers who left the schools to gain higher wages in industry now are beginning to drift back," said Claxton. "As a rule, however, such persons are not the type of individual whose efforts are most beneficial to the educational system. Persons who skip from one profession to another for slight increases in compensation make only fair teachers.

"The crisis of the education system is far from over. Good teachers still are nearly as scarce as during the war. Few persons are training for teaching work because of the low salaries still paid. In some schools elementary grade teachers now are receiving only $700 a year. A good stenographer can earn twice this amount.

"Formerly the teaching profession attracted the best element of the population. Men and women of the finest culture and education were attracted to it. The men often went into it to earn money to train themselves for other work in the professions and public life.

"President-elect Harding was one of these. Thus for a short time, at least, the nation obtained the services of men and women who later in life went into the professions like medicine and the law and into public life.

"When the war came on and salaries and wages in most other professions were boosted, it became impossible for the men and women to go into teaching to earn money while training themselves for larger positions. Their training cost them more and they had to go into industrial positions to earn the additional money needed.

"This is a condition that never will return. The schools from now on must pay salaries sufficient to attract people who will make teaching their life work."

JIU JITSU EXPERT WHIPS THUG

SISTERVILLE, W. Va.—Along a lonely road Leon H. Fleming, local plumbing contractor and former jiu jitsu artist, met a young man equipped with a revolver, an automobile and a trifle shaky nerve.

"Throw up your hands," demanded the bandit, pressing a revolver against Fleming's side.

Instead of complying Fleming grappled with and disarmed the highwayman and made him walk down the road a short distance.

Fleming then emptied the gasoline out of the bandit's auto and let the air out of his tires.

Then Fleming came to Sistersville and reported the attempted holdup to the police.

BRANCH LIBRARY

TWO SUBSTANTIAL GIFTS OF BOOKS ARE MADE; VOLUMES WILL BE RELEASED

The branch of the Glendale public library at Brand boulevard and Los Feliz Road, has recently received two substantial gifts. The one from Mrs. Wesley includes the following volumes:

"Old Spain in New America," dealing with the missionary efforts of the Spaniards.

"War Brides," by Marion G. Wentworth.

"Ravished Armenia," by Aurora Mardiganian. This is a vivid description of the great massacre which the author witnessed and from which she escaped.

"Cooncan," describes a game of cards by that name.

"Ben King's Verse," a volume of poetry by this young Michigan author.

"A Woman's Woman," by Bartley Nalbro.

"The Thoroughbred," Webster.

"A Girl Named Mary," Tompkins.

"The Twin Soldier," Bailey.

"The Duke's Price," Brown.

"The Triflers," by Bartlett.

These books are already in circulation.

Another Gift Is Made

The other gift was from J. J. Nesom. It includes a valuable addition to the collection of American wit and humor.

The following Mark Twain books are fine editions, profusely illustrated:

"Pudd'n Head Wilson and the Comedy," "Those Extraordinary Twins," "Roughing It," "The Innocents Abroad," "A Connecticut Yankee in King Arthur's Court," "The $30,000 Bequest and Other Stories," "A Double Barreled Detective Story," "Adventures of Tom Sawyer," "Adventures of Huckleberry Finn," "The Man That Corrupted Hadleyburg and Other Stories and Essays."

The other books of humor are:

"Bill Nye's History of the United States," "Josh Billings' Old Farmer's Allminax," "Pigs Is Pigs," by Butler; "My Resolutions, Buster Brown," "The Letters of Alphonse," by Kenealy; "Samantha at Saratoga," by Josiah Allen's wife, and the "Tribune Primer," by Eugene Field. This was Eugene Field's first book originally issued in Denver in 1882. First editions of it are very rare, one of them having sold for $125. It is very amusing, both the illustrations and the text.

The other books of Mr. Nesom's gift are: Knight's edition of Shakespeare in three volumes; Hawthorne's "House of Seven Gables," "Representative Men," by Emerson, and "Noa Noa," by the French artist Paul Gauguin, being an account of his life in Tahiti.

More Books Are Purchased

The branch has just secured by purchase the following books:

"The Mysterious Rider," by Zane Grey.

"The Valley of Silent Men," by Curwood.

"The Mating of the Blades," by Achmed Abdullah. This is a delightful and colorful portrayal of life in the far east, the action of the story shifting between the occident and orient.

"Shadow-shapes," the journal of a wounded woman, by Elizabeth S. Sergeant.

"A Vagabond Journey Around the World," by Harry A. Franck.

"The Bird Book for Children," by Burgess, beautifully illustrated in color.

"Life of Robert Louis Stevenson for Boys and Girls," by Overton.

"Thuvia, Maid of Mars," by Burroughs, author of the Tarzan books.

"Queen Silver-Bell" and "Rackety-Packetty House," two delightful little books by Mrs. Burnett.

"Toni the Little Wood Carver," by the author of "Heide."

"The Italian Twins," by Perkins.

A new edition of "Alice in Wonderland," illustrated by Milo Winter.

These books and the gifts of Mr. Nesom will be released for circulation on Saturday, February 12.

TO OPEN CAFETERIA AT BEIRUT

The foreign department of the Y. W. C. A. is sending a cafeteria director to Beirut at the request of people there to open a cafeteria. She will sail from New York soon with other secretaries, who are to carry on girls' work in the near east. Constantinople and Smyrna also have asked for assistance in opening cafeterias. Countries in which such eating places have been started by the American Y. W. C. A. include Brazil, Argentina, Italy, Belgium, France, Czecho-Slovakia, Rumania and the near east.

AT PRESBYTERIAN

OUTLINE OF SERMON GIVEN BY REV. W. E. EDMONDS SUNDAY MORNING

The text of the Sabbath morning's sermon at the Presbyterian church by the pastor, Rev. W. E. Edmonds, was drawn from the history of Israel's laborious conquest of their God-given land, in course of which Caleb drove from his portion "the three sons of Anak, Sheshai and Ahiman, and Talmai." A resume follows:

"The thought this morning is concerning the great conflict of the higher Christian life in the Land of Promise. Those old Israelites knew the trials of the wilderness and the wandering. Now they had come into the land that had been given them. God had assured them they were able for its conquest; Jericho had fallen before them; yet not long was it till sore disappointment fell on them because of the enemies that yet remained to be dealt with. That old Canaan experience is not a type to us of heaven; it is a type of the entrance into the Christian life with the combats which accompany that. When we see people falling into the grosser sins we know they have not been born again. But we see those who have been born again struggling along the way upward. Various forms of self-life contrary to the will of God must be subdued before a soul can be in harmony with the divine will. Veteran Joshua was told by God that very much land yet remained to be taken possession of. There were yet heathen giants remaining in it. It is as the conflict of the believer even though he is dwelling in the land of promise.

Varied Forms of Self-Life

"There are various forms of the self-life belonging to one family, as those old evil chiefs belonged to one family. Let us look at these kings and the old Self dynasty, and see if we recognize any of them in our own experience.

"First, Self-will. This, the old head of the dynasty, delights in the big personal pronoun I. When we think of the depths from which we are taken and at what cost, there is no place for this. The chief characteristic of the saved one is humility. Second, Self-indulgence. Mine, mine! I will do as I please, enjoy as I please. It is the outward expression of self-will. Third, Self-seeking. Love seeketh not its own, but the good of others. Fourth, Self-confidence. Peter said, 'Though all men forsake thee, yet not I,' and yet he did. Before you criticize another, consider yourself. There is need to take our place as humble suppliants. O God, give us victory over self-confidence. Fifth, Self-importance. This is very common these days, and it is very offensive. Sometimes it creeps into the churches. A man who has been saved from hell has no right thus to carry himself. Teach your children the place of true humility and modesty; teach them modesty of garb.

"Sixth, Self-depreciation. This is just as bad; it is pride of humility. Some people call more attention to themselves through self-depreciation than self-confidence. They are both bad. "Not I but Christ" should be the Christian's motto.

Two Remarkable Discoveries

"Now here are these six giants of the self-life. This thing of selfishness enters into our church. It may be in the pulpit; there may be a lack of the passion for souls. The same tendency may be in the pew. Work may be done simply through liking of the people, with no thought of great honor to our Lord.

"The New York Times recently gave two remarkable discoveries. Professor Michelson of Chicago university announces new star measurement. He finds one star in the constellation, Orion, to be 27 million times as large as our sun; its light that reached us on February 1 had started in the year 1771. Another discovery: A thousand of the best men and women in New York were served in a great hotel a dinner of boiled rice, stale bread without butter, and cocoa. They were told the starving 3,500,000 children in Europe would have that much once a day for the next several months only if America will provide it. Those people gave for the war two million of themselves. Think of the terrifying totals. Think of the famine-stricken forty millions in China. To think that we have any who can be indifferent. And 100 million of the world's lost souls are our parish to care for—and we are cutting down on our budget.

"In closing: Is it not possible that we be selfish in our prayers? 'Give us this day our daily bread'—who did we mean by 'us?' The 'us' should be as broad as the love of God for all. The love of Christ alone can stay the self-love. Christ will put His own heart into us and so live in us and we in Him. God give us victory over Self!"

CONTROL OF PEST

CONGRESS IS EXPECTED TO TAKE IMMEDIATE ACTION AGAINST BOLL WORM

Congress is determined to exterminate the pink cotton boll worm in California, Arizona, Texas and other border states. In the agricultural appropriation bill which has just passed the house and which will soon pass the senate there is an aggregate of $554,840 appropriated for this purpose and for examination and control of the pest below the international line in conjunction with the Mexican authorities.

Congressman Osborne received a telegram from the Los Angeles clearing house asking that this appropriation be increased to $1,000,000 and has given to each member of the house from California a copy of this wire and also placed the same information in the hands of Senators Johnson and Phelan. He asked the clearing house if, in view of the amount appropriated by the house, it is still desired to increase the amount. This will have to be done in the senate and he has promised to do all in his power to get it through.

Delegation Gives Aid

Practically all of the members of the California delegation are co-operating with Congressman Osborne as are both Arizona senators and Congressman Hayden of the latter state.

The same sort of co-operation can also be assured from the Texas delegation of the house, at least from districts along the border, as the seriousness of the situation is apparent to all of the members from this part of the country and it is most important that the department get a grip on the situation and prevent the pest from getting into the cotton fields of California, Arizona and Texas.

HONOR CLAIMED FOR HER

The honor of having been the first American woman to demand the right of suffrage as a taxpaying property holder is claimed for Margaret Brent, a resident of Maryland in the early colonial days.

WOMEN TO FIGHT FOR BILLS

The Missouri women's legislative committee, with headquarters in St. Louis, representing several women's organizations in the state, will make a fight before the new Missouri legislature for bills comprising the so-called children's code, which were rejected by two former legislatures.

As women now have a vote, the new legislature is expected to pay heed to all laws affecting women and children.

REQUIRED GARAGE ROOM

When a young woman applied to a Detroit housewife for a position as a domestic she specified that she must have garage room for her automobile.

DOGS IN CITY?

MRS. ELSIE LOUISE TICE OF 323 HAWTHORNE ASSERTS CANINES NECESSARY

Is the city the place for a dog? Here's what Mrs. Elsie Louise Tice, 323 Hawthorne, has to say on the subject, in a communication sent to the editor of The Evening News:

"Editor The Evening News: I would like to extend my sympathy to the gentleman whose dog was poisoned and also to say that any one who wilfully poisons any animal is as guilty of murder as if it were a human being. In that case, the law would take care of it. I am an animal lover and also own an Airedale who is a descendant of the great war, so I know just how the gentleman feels who lost his pet bulldog.

"I have had people tell me that a city is no place for a dog, but I think if they knew what a great protection he has been to me they would change their mind.

Dog Is Real Protection

"I have lived in Glendale for the past year and this is what my dog has done for me in that time, to say nothing of several instances in the east:

"Last summer frightened away an intruder about midnight. I saw the man jump over the porch.

"Last fall saved us from a holdup at Central and Hawthorne.

"This winter saved me from an insane man in my own front yard, also frightened another intruder who has been in the neighborhood several times and has been seen looking in windows.

"Now, is not the city a place for a dog?

FIRST AIR LINER

VESSEL IS BUILT TO CARRY 16 PASSENGERS AND ALSO MAIL AND EXPRESS

MILWAUKEE — "City of La Crosse," first of a fleet of mammoth airliners being constructed, is scheduled to make its initial flight soon, according to Alfred W. Lawson, inventor and builder.

The Lawson ship will carry sixteen passengers as well as at least 1,500 pounds of mail, or without passengers will carry 6,000 pounds of mail and express.

The airliner, largest ever built, will carry sleeping berths with pneumatic mattresses from which the air can be let out to economize on space in the daytime. Shower baths with hot and cold water and a heating plant on the ship are featured.

Food is to be prepared before the liner leaves and placed in thermos bottles. A waiter will be aboard the ship to serve the food.

Three Liberty Motors

"The City of La Crosse" will be powered by three Liberty motors aggregating 1,200 horse power and has a wing spread of 15 feet. The cabin is sixty feet long. The maximum speed is to be 120 miles an hour, with a cruising speed of 100 miles. The crew will consist of a captain and one or two mechanicians.

The maiden trip of the "City of La Crosse" will be from Milwaukee to La Crosse, Wisconsin, to Chicago and then to New York.

Lawson, who lives at Zion City, Ill., was recently granted an extension by the government on his mail carrying contracts. The original contract called for operations to begin January 13, but a stay until May 13 has been granted.

"The 'City of La Crosse' can make a non-stop flight from Chicago to New York in eight hours, Lawson says.

INCREASE SHOWN

BIBLE SCHOOL ATTENDANCE IN CENTRAL CHRISTIAN FAST GROWING, IS REPORT

Bible school attendance at Central Christian Sunday showed a large increase over previous records except one, in the midst of a keen contest. A young married people's class and one for young ladies over 20, held their first sessions, with good attendance.

The morning sermon subject was "They Searched the Scriptures," referring to the residents of Berea, to which city Paul went when driven forth from Philippi and Thessalonica. The speaker commended the example of these Bereans in examining for themselves the statements from the scriptures quoted by Paul in preaching to them Christ Jesus, and said Christians today should do likewise in order that they may "give a reason for the faith that is in them." It should be a daily search, accompanied by prayer for guidance, he said.

Last of Series Is Given

At the evening service Rev. Cole preached the sixth and last of the sermons on notable conversions, his subject being, "A Prison Warden Accepts Christ." It was the story of the Philippian jailer and showed how God prepared the way for the evangelization of the continent of Europe by means of this lowly beginning in a famous city. The persistence of Paul and Silas in the face of great difficulties and the sweet spirit and strong faith which led them to sing praises to God at midnight in the prison dungeon, with their feet fast in the stocks and their backs raw and bleeding from cruel scourgings, were dwelt upon by the speaker. He said that there was "no such thing as a sour Christian, for the very essence of the Christian religion is peace and joy."

PLENTY OF HOUSES, RENTS UP

FINDLAY, Ohio—Although prices of food and clothing are falling, rents are starting to go up again in Findliay.

Many tenants have reported that their rents have been advanced during the last few weeks and more have received notices of impending boosts. Real estate men assign no reason for the advances other than that the city tax rate will be higher.

The advance in rentals is coming in the face of the fact that the demand for houses is less and that the newspapers are filled with advertisements of houses and apartments for lay.
